Re: Closure of Administrative Order
Docket No. SDWA-08-2002-42
PWS ID# WY5680233

Dear Mr. Cable:

This letter is to inform you of the Environmental Protection Agency's (EPA) decision to close the Administrative Order, Docket Number SDWA-08-2002-42, issued to Medicine Bow National Forest-Brush Creek/Hayden District on September 25, 2002. The EPA has determined that you have complied with the requirements of the Administrative Order; therefore we will close the Order at this time.

Please be aware that you are still required to comply with the National Primary Drinking Water Regulations ("NPDWR"), 40 C.F.R. part 141. More specifically, a review of your records indicates that we have not yet received the required annual nitrate analysis for 2003. This monitoring is to be completed no later than December 31, 2003. Violation of the NPDWRs or an administrative order may subject you to a court-imposed injunction and penalties of up to \$27,500 per day of violation.

If have any questions about your compliance requirements, please call Gina Andrews of my staff at (303) 312-6688.

Sincerely,

SIGNED
